<sup>1</sup> Intake screening for MHCSS defined programs (Individualised Client Support Packages, Adult Residential Rehabilitation Services and Supported Accommodation Services) will cease on the day an area commences transition to the National Disability Insurance Scheme. In the lead up to this date, providers will be preparing psychosocial reports to support people on the Needs Register to make an access request to the NDIA.

<sup>2</sup> The cessation of referrals from the MHCSS Needs Register to vacancies in a MHCSS defined program in a given area is linked to the timing of the DHHS client information data collection.
